

Science of the JV Parichay Shivar

Content

1. logical-view-chitran-architecture-completeness of the darshan
 - *content dept based on audience profile*
2. language-beauty of the darshan ~ paribhashas

Pedagogy

1. Establish Relevance of the content to the listener. (*agyani-vigyani-gyani*). By reviewing (*sameeksha*) current living in various dimensions.
2. Reflective Questions & Practices to allow them to 'See'. /bhaasa/glimpse.
3. Relevant Examples from daily life to explain theory
4. Board-usage allows the *jeevan* to focus on the words and their placement to convert to meaning & connections within
5. Skill of maintaining a single container/approach allowing the listeners citta to grasp and feel it 'compiles'
6. Firmly establish inherent *vyavastha*, continuous *jeevan*, need for its *samadhan* & *jagruti* and need for *adhyayan* for the same.

Personality of the Speaker 1. Friendliness/ Sneha/Genuine concern for the audience. 2. Power/Passion of Delivery. 3. Charisma.	Audience Connect • Speaking to the Audience. • Speaking to a Script. • Speaking/Presenting the Darshan (theoretical).
